

## BRIEF HISTORY

As Jesus said, "The harvest is plentiful but the harvesters are few."

There is an increasing global demand for more prepared missionaries as the global harvest continue to grow.

For this reason, School of Missions (SOM)-Mission Motivators was born to focus in effective cross-cultural missionary training in July 1, 2000 in the Philippines. The training is specialized in equipping and empowering missionaries for long-term missions that involves evangelism, discipleship, church planting, and community development.

We have been sending trained missionaries into the Unreached People Group(UPG), Muslim communities and most un-evangelize countries. In January, 2018 School of Mission (SOM) extended its operation in Indonesia and Ghana to train those who are called for Missions.

THEREFORE GO AND MAKE  
DISCIPLES OF ALL NATIONS  
(MATTHEW 28:9)

## SUBJECTS

\*Understanding the work of the Holy Spirit \*Biblical Foundation of Christian Faith

## VISION

Motivating the Whole man to present Whole Gospel to present Whole world

## MISSION

To recruit, equip and empower missionaries for effective cross-cultural ministry through comprehensive training program.

## OBJECTIVE

School of Missions aims to:

1. Provide biblical and practical training
2. Develop global perspective in different cultures, religions and beliefs
3. Spiritual growth to become more like Jesus in character
4. Empower by the Holy Spirit to be a witness of Jesus Christ both to Muslims, unreached tribes, and most unevangelized countries
5. Improve dynamic prayer life to engage in spiritual warfare and communication skills
